## TREASURY DEPARTMENT,

*January 21st, 1826.*

SIR: The Register and Receiver of the Land Office for the District of St. Helena having made a report, under the provisions of the act of Congress of the 26th of May, 1824, supplementary to the report submitted to the House of Representatives with the letter from this Department, of the 28th of December, 1825, I have the honor to transmit, herewith, a copy of the same.

I have the honor to be,

With the highest respect,

Your obedient servant,

RICHARD RUSH.

To the Hon. the SPEAKER  
*of the House of Representatives.*

LAND OFFICE, ST. HELENA,

*December 5th, 1825.*

SIR: The abstract of orders of survey has been detained on account of forwarding with it a supplement to our report of claims, forwarded under the law of 26th May, 1824. The reasons that have induced us to forward this supplement are, that the claimants have regularly filed their notices of claims with our predecessors in office, with sufficient proofs to establish their claims; but still we do not find that our predecessors have reported on the said claims in any way; and we, believing that the Government would never attempt to take from the claimants in question their lands, we have thought it better to attach their claims as a supplement to our former report, not yet acted on, than that the claimants should torment Congress with separate petitions.

We remain, very respectfully,

Your obedient servants,

SAML. J. RANNELLS, *Register.*

WILLIAM KINCHEN, *Receiver.*

Hon. GEO. GRAHAM.
